Directions: Use the completed map on the other side to make logical guesses.  
You may use your book for help, but the answers aren't stated in the reading.

1. In general, what do you notice about the map? (make observations about the geography)

---

---

---

2. Would it be easy to travel across the land from the coast of the Adriatic Sea, to the coast of the Tyrrhenian Sea? **Why?**

---

---

---

3. Notice where the city of Rome is located. Why do you think it is located right next to a river? What are the benefits?
